Elaine Cooperberg

Elaine, I've been nice
going to school with
you this year. You're a
real nice girl and I hope
you'll stay that way. Remember
that Firman's supper and all
the silver we wrapped. Best
of luck and remember me as a
friend.

Dear Elaine,

You may destroy me for writing on this front page but here goes anyway.....

First of all I want to tell you that you are the greatest friend anyone could ever ask for. You have a personality that is really fantastic.

I'll always remember all the ballgames all our wins and I've already forgotten the losses. I'll never forget our Trip to Raleigh. What a bomber that was. Right? We really did have fun.

I really have enjoyed my one year here at Nebo High School, I only wish I had come down here from Marion in my Freshman year. But without you coming down here to Nebo this year, it wouldn't have turned out as great as it did. Thanks for being the friend you are to me and I'll never forget our friendship. Lots of luck in the future to a girl who really does deserve it, Stay as sweet and cute as you are. May God Bless and keep you.

REMEMBER WE'RE

The 1971 edition of the Pioneer is dedicated to a Nebo Faculty member who has for many years given the best that a person could give to both Nebo and Nebo students. This person has helped mold our lives by giving us the faith and courage to strive for meaningful lives. This person's own desire to know and learn has inspired us with the same desire. Time and effort have always been given unselfishly by this person to help in extracurricular activities. This person has through the years strengthened our challenges to learn, adapt, and reach for higher goals. This person has been our understanding friend, and at times, even one of us. With pride and appreciation, we, the Senior Class of Nebo High School, dedicate this year's annual, THE 1971 PIONEER, to ...

MRS. LEATHA KELLEY!

What do you mean ... do we have to have French today???

A warm smile and an outgoing personality are two main assets of our ... Mrs. Kelley.

He casts a large shadow. He is a familiar sight in our halls and around the campus. He served us first as a teacher who always had time for each of us. Then he accepted an even more challenging position as principal. He has worked diligently at the varied responsibilities that are his. His methods of organization, his special interest in all phase of school life, his wisdom in making decisions, his quiet diplomatic manner ... these have endeared him to our hearts. His shadow reflects his many abilities and his initiative to carry them through.

Office Assistants

Under the supervision of Mr. Kirstein, Rebecca Edwards, Linda Anderson, and Nancy Grant, do their work thoroughly.

After many tedious hours, a fine instructor "sees her teaching in action."

A great deal of the joy of life consists in doing perfectly, or at least to the best of one's ability, everything which he attempts to do. There is a sense of satisfaction, a pride in surveying such a work - a work which is rounded, full, exact, complete in all its parts . . . It is this conscientious completeness which turns work into art. The smallest thing, well done, becomes artistic.

- William Mathews

Patsy Foster and Betty Jo Schmidt aid Mr. Kirstein with many detailed reports.

Our secretary, Mrs. Cuthbertson, is relieved of many duties by these workers: Linda Mace, Joyce Jaynes, Elaine Hendrix, and Helen Roberts.

Look out - The paper has gone to press!

SEATED: Linda Anderson, Business Manager; Nedra Bradley, Editor. STANDING: Virginia Fairchild, Junior Editor; Mrs. Kelley, Sponsor; Brenda Gallion, Junior Business Manager.

Pioneer Staff

SEATED: Jackie Ray, Mark Hall, Nedra Bradley, Mrs. Kelley, Virginia Fairchild, Linda Anderson. STANDING: Elaine Stamey, Steve Beam, Camilla Huskins, Elaine Hendrix, Kay Baker, Joyce Jaynes, Nancy Simmons, Brenda Gallion, Patsy Foster, Martha Johnson.

Here you see an editor. Her distinguishing characteristics make it quite easy to pick out the Pioneer editor in a crowd. How? Let me point out the details. First, we notice the streaks of gray in her hair and the almost expressionless look on her face. This change in features is a result of the hurried effort to meet the second deadline. Then come the problems ... "Nedra, all the pictures for the second shipment have been dumped into the incinerator and burned!!"

The eyes explain the whole picture. There are bags under the two blue eyes and circles under, over, and all around them. These eyes also see many things for which to express thanks. To Linda, for being a great business manager; to Patti, Tildie, and Brenda, for being such good typists; to Virginia, the junior editor; and to Mark and Elaine for all their tremendous artwork!

The voice is deep and this makes for good yelling. It becomes soft and expresses thanks many times. Special thanks always

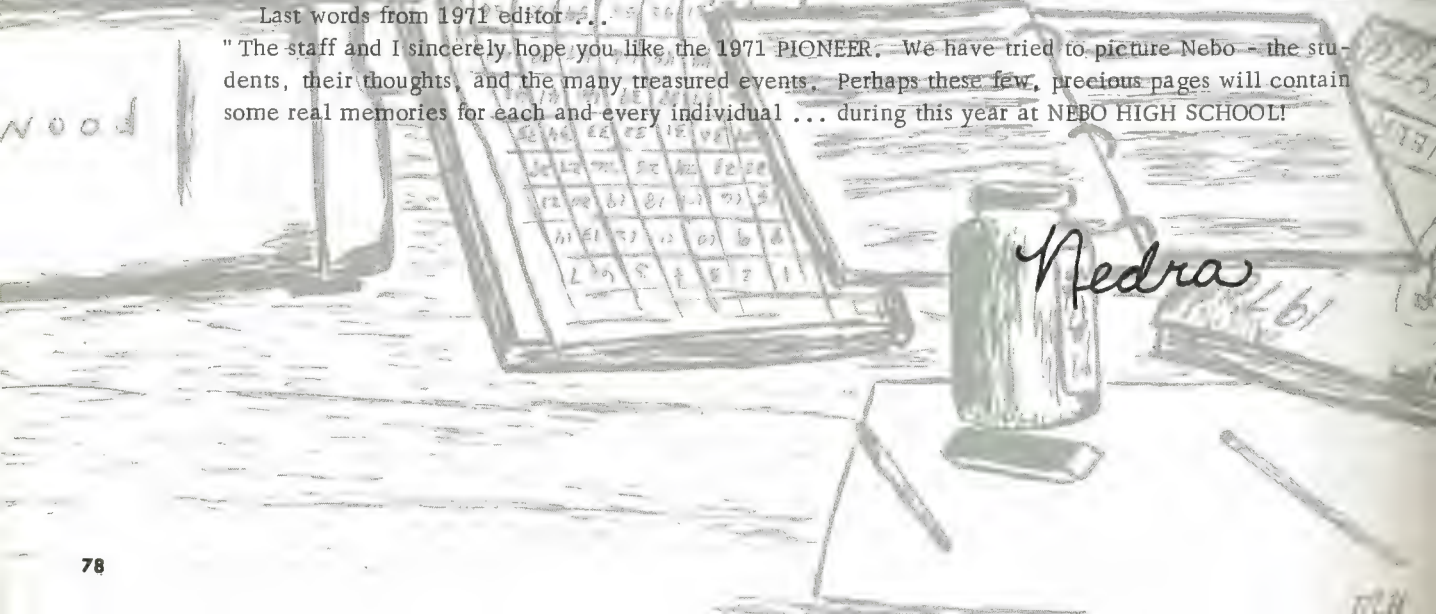

go to Mrs. Charlotte Hartley, our wonderful photographer, and of course to all the cooperative people who posed for pictures.

Inkstained hands are also a trademark. Pencil and rulers (also erasers) fit naturally into these hands. The fingernails are uneven and the skin around the fingers is chewed. It's all in the job!

A big heart must beat in an editor. There is a place for every staff member. However, most of all a special place for Mrs. Kelley, our wonderful sponsor. She shared her precious time and helped us, as we strived to meet our deadlines. Without her dedication, advice, and ability, this annual could not have been possible. A love of N.H.S. fills the rest of this haggard-looking creature's heart.

Last words from 1971 editor ...

"The staff and I sincerely hope you like the 1971 PIONEER. We have tried to picture Nebo - the students, their thoughts, and the many treasured events. Perhaps these few, precious pages will contain some real memories for each and every individual ... during this year at NEBO HIGH SCHOOL!"

Elaine,
I've seen you somewhere before !!!!!
There are all the places you've been?
seriously, you've made me a lot
brighter this year. Don't ever lose
that sense-of-humor or the big smile.
I hope our friendship ^{will} last our high
school days.
Love,
Jillie

Elaine, you have really meant a lot to Nebo School and to our Athletic teams. You also mean a lot to me and have made my last year at Nebo a most pleasant one. Working with people like you make this job seem like play.

Elaine, I remember the song "What Kind of Church Would My Church Be, If All of Its Members Were Just Like Me?" I only wonder what a great school we would have if all of our students were just like you.

sweet and beautiful girl.

made the team's cheer leader
alive this year. I hope you

I find me a girl who is as
considerable as you.
Always a friend,

Dear Elaine,

Even though this was your first year at Nebo you are really a sweet girl. We have had some good times at the ballgames and I wish they were here again. I wish you and me could have got together this year, (I tried, but maybe not enough) because just something about you I like. This year could have been alot better if you would ^{have} tried ^{oops} a little bit harder. But I guess you have your own reasons. (Don't you) Elaine I wish you the best of luck with what's his name. Maybe if you keep on trying you can get him (I hope so, ^{really}). Well even were you go next year maybe he will be there and you can get him. Have loads of luck in the future and for goodness sakes be careful. Most Bless and keep you SAFE

A friend
